

Do I need to bring an outdoor power bank when I go to Buenos Aires

Does Buenos Aires have a power socket?

Argentina's standard voltage is 220 V (50 Hz). And the sockets are type I in Buenos Aires. Travel tip: If you forget to pack a plug adapter, you can locate these in what's called a 'ferreteria'. Which is like a local hardware store in Argentina. And no, they don't sell ferrets. Type I Power Socket in Buenos Aires Argentina

How to pack electronics for a Buenos Aires trip?

When packing electronics for your Buenos Aires trip, remember to consider the type of activities you'll be engaging in. If you plan on capturing professional-quality photos, a digital SLR camera would be ideal. However, if you're mostly interested in documenting your trip casually, a GoPro or even your smartphone camera will suffice.

What do you need to travel to Buenos Aires?

A carry-on suitcase or a backpack is ideal, especially if you plan to explore the city on foot. Buenos Aires is a walking city, so you'll want to be able to move around easily. A small, lightweight backpack is great for carrying your essentials like your phone, wallet, and water bottle.

How to plan a trip to Buenos Aires?

When planning and packing for Buenos Aires, the key factors to consider are the activities you'll be doing and the weather. Pro Tip: Always check the weather forecast before your trip. There's nothing worse than being caught off-guard with the wrong clothes for the conditions.
